Review of JIPOA Legal Situation.

- Have collected \pm 85% of Dues.
- Have funds + reserves to pay 100% of road dues.
- Believe legal situation is strong to collect on "essential services"

Gaydos as project - makes sense.

Unanimous vote (7-0) is next.

Rick - will get Wright to get spec, swg, etc to be able to bid work.

Final grading - last year work -

Card Road - still trying to fix.

Repairs - will be soon -
